

**PRINCE GEORGE'S CHAPEL CEMETERY
RULES & REGULATIONS**

1. No dogs, cats or other animals shall be interred in the cemetery; however, the remains of a cremated pet may be placed within the casket of a person to be interred in the cemetery.
2. Cremated remains must be buried within a marble urn, which then may be buried in the person's cemetery plot. All other container types (plastic, porcelain, etc.) must be placed in a vault before burial. (See #3)
3. All burials shall be in a standard concrete, copper, bronze, etc. vault or liner.
4. Four urns can be placed within one cemetery plot. The burial permit fee is required during each opening.
5. No one shall be interred in the cemetery nor any grave opened without contacting the Dagsboro Town Hall and each interment must be performed by a professional undertaker.
6. All graves will be marked with a stone or metal monument or marker. No monument or marker shall be higher than four (4) feet from the level of the ground.
7. No trees or shrubbery may be planted in the cemetery.
8. Any corner markers or cornerstones erected to mark a plot shall be level with the ground.
9. No mausoleums shall be erected, and no one shall be buried above ground.
10. All graves shall be level with the present grade of the ground.
11. During the course of maintenance, the Council of the Town of Dagsboro shall not be responsible for the removal or damage of any flowers, plants, wreaths or memorials placed on the graves.
12. Flowers and decorations should be removed in a timely manner: example – Christmas flowers should be removed before Easter, and Easter flowers should be removed before Memorial Day, etc.
13. No parking behind Prince George's Chapel out of respect for the cemetery and unmarked graves.
14. No smoking on the cemetery grounds as per State of Delaware regulations.
15. These rules and regulations are subject to be amended from time to time by the Council of the Town of Dagsboro.
